SUBJECT : Office of Security Statistical Report for
MARCH 1965

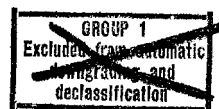

1. The attached tables reflect some of the activities of certain components of the Office of Security during March 1965.

2. The statistics in the tables are compiled by the component concerned and refer to the current month.

3. The following statistics are furnished for the purpose of comparison between this month and previous months:

	<u>Feb. 1965</u>	<u>March 1965</u>	<u>March 1964</u>
Overt & Semi-Covert Cases Received	1651	2218	1568

The workload for the overt, semi-covert and covert cases increased 918 over the month of January 1965 and 1,019 cases over March 1964. Part of the increase in the overt cases can be attributed to the 265 summer cases placed in process during March 1965 whereas in 1964 the Agency did not have a summer program. Only 56 summer cases were placed in process during February 1965.
